

New Student Referral Program

Effective for the 2018-2019 School Year

Dear SJA Families,

Our school continues to grow and the future looks bright at SJA! If you know of a family, friend, neighbor or co-worker that may be looking for a program like ours, please encourage them to come check us out! Increased enrollment will help our school close the gap between rising operation costs and current tuition revenue, and will help provide sustainability for years to come.

When you bring a new family into SJA and they decide to have their child(ren) attend, we want to thank you for your efforts. You truly are the best advertisement for our school! For your efforts, you will receive a tuition credit of \$500 in January of the 2018-2019 school year if a family you refer enrolls and attends SJA.

To qualify for the credit, the following conditions must be met:

- The family must be new to the school (not former members)
- The new family must complete the school enrollment forms, pay the registration fee and tuition, and be attending classes
- One credit is allowed per new family
- Complete the form and turn it into the school office at the time the family registers

Thanks for your efforts and for your support of St. John the Apostle!
